

# BTTC Informed Consent permission

In line with our policy for filming and interviewing, this is a formal confirmation of informed consent, made after the activity and after the participant has had a chance to reflect on what they shared.

Prior to this:

- The offer of anonymity has been explained clearly and understood
- Verbal consent has been obtained before the activity along with the offer to withdraw participation at any time during the process
- The offer of removal of any sensitive material has been explained and understood

**Title of Activity:**

Date of activity:

Agreed and signed by:..... (person in charge of the activity).

**I agree to confirm my informed consent for the above activity.**

Agreed and signed by participant: .....

Date:
